

EURITALIA has reached a position of absolute prestige both in Italy and abroad in the pharmaceutical field. An amazing success built by putting more and more innovative products in the market.

In EURITALIA laboratories, chemists, cosmetologists and pharmacists have created products that soon became a reference point for quality and effectiveness.

First on the market, EURITALIA created ISOMAR ®: isotonic solution based on the sea water of the Sea Park of Cinque Terre (Italy), the cleanest in the world.

ISOMAR SPRAY® and ISOMAR VIALS ® are suggested for the daily hygiene of the nose, ears and eyes of children and adults.

New, created for respecting the delicate nostrils of children, ISOMAR BABY ®, has a practical nozzle which grants more than 400 nebulizations.

We POLYTOUCH are producing professionally soft contact lenses and contact lenses care product. We are doing our best to offer safe and reliable products to our customers with advanced development of technology of research center and strict quality management.

Spring of 2008, revolution of contact lenses

We are launching soft contact lenses of new concept with long time research and development for days and nights. Above all things, with new lay out methods beyond the preceding technology, it is designed to keep perfect fit on your eyes.
